Dear Mr. Donato,

We recieved your box of candies + cookies and was happy to recieve them. Every body in our family loves candy - so we were glad + happy to recieve them.

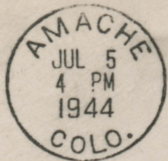

My mother - every one thanks you for all of the things that you - so kindly

gave us. We appreciated it very much, my mother especially.

I hope this finds you in good health & we're all fine. We play with Miki & Kaneko all the time and have a lot of fun.

I guess this is all, but before I close I want to thank you again for the candies you sent us.

Sincerely,
Naomi
