Mr/ Kaneji Domoto,
330 E. 57th St.,
New York City, N. Y.

Dear Sir:

I would appreciate it if you would kindly send me your marital status, if married of course. In other words, I cannot make up your salary check until I am notified by you the number of dependents you have, so that I can deduct the correct amount of withholding tax.

I did receive your social security number but no notification of your tax deduction. As soon as this is forthcoming I will forward your salary check immediately.

Very truly yours,

E. C. Hilker

Secretary to Mr. Gruzen
