Feb. 27.

Dear Donato.

I don't know much
about the broom factory,
So I can't explain about
it. I didn't do much
Christmas but stayed at
home and help my father
and mother with the work.

I am sorry you don't
know why they called
that canyon, Wild Cat
Canyon for I would
like to know. I wish
you would send me
a automobile because

we do not get to
have manual training
here in Paris. If you will,
I will pay the express
charge. I have just
joined the Boy Scouts.
Have you joined yet?
You will have lots of
fun on the hikes and in
camping out. I hope
you will answer soon.
I have been sick that's
why I did not write
sooner. I hope you
will excuse me for it.

Your loving friend,
Norman Clifford ^{Wray}
