Dear Kan,

I trust that you have had a good summer and are all pepped with ideas and vim, vigor, and vitality. We are starting off our year's work in the Christian Association minus a secretary. Our summer's search proved unavailing for one who would fill the bill satisfactorily.

If you can come down any time early and are not busy at the club I think you could be of service to the association in our new student work. The night of the 30th of Sept. Don can use us all I'm sure in the new student reception. I'll be up to Paly the end of this week I hope. Look me up 204 Union or in the office.

Another thing I forgot to mention.
We had planned on a \$2⁰⁰ membership
fee. What do you think of its
advisability without a secretary -
that is the two radical changes at
one time -

Sincerely,
Tom Vasey
