EXPLANATORY NOTE

A letter of honorable dismissal is issued, on request, to a student in good standing in the departments at Berkeley who withdraws from these departments without the expectation of resuming his work at Berkeley. An indefinite leave of absence is issued on request to a student in good standing who finds it necessary to withdraw but who expects to resume his studies at Berkeley at the beginning of some future session. A brief leave of absence may be issued, as an exceptional privilege, to a student who finds it necessary to withdraw for one week or longer, but who wishes to retain his status in his classes and to resume his work before the close of the current semester, upon a date to be fixed by the University.

A student is in "good standing" if he be entitled to enjoy the normal privileges of a student in the status in which he is officially registered. Students disqualified by reason of scholarship deficiencies, and students under suspension are not regarded as students in "good standing."

A student who withdraws from the University without giving notice of withdrawal to the officer in charge of the records may be debarred from further registration. The officer in charge of records in the departments at Berkeley is the Registrar.

In every case, the student's return to the University is subject to the approval by proper authority of official credentials covering the student's studies in school or college, and his other employments, during the period of his absence. Such credentials should be submitted to the Director of Admissions. His return is subject also to the approval of the University Physician or other proper medical officer.

Aside from these general provisions, any student in these departments who is granted an honorable dismissal or a leave of absence may re-register at Berkeley at the beginning of any regular session unless debarred from such registration by special conditions, in which case these special conditions will be mentioned on this certificate.

A student who resumes his work at Berkeley after receiving an honorable dismissal or leave of absence will be expected to register on the regular registration day for his college and status, unless he is expressly permitted or directed to register at another time. For registration dates, consult the Registration Circular, to be obtained from the Registrar.

This certificate should be carefully preserved, and, if for an indefinite leave of absence or an honorable dismissal, should be presented at the time of application for further registration at the University, in Berkeley or elsewhere.
