Dear Mr. Domoto:

The senior class thank you from the bottom of our hearts for all that you have done for us.

We sincerely believe, Mr. Domoto, that if it hadn't been for your excellent management and your unselfish and untiring efforts, we would not have been able to have such a wonderful commencement.

We wish to thank you personally for your wholehearted help in enabling us to end our last year of high school so successfully.

Gratefully yours,

Senior Class
