LIST OF SELECTED OCCUPATIONS

34. Read the following list of jobs and fields of work carefully. If you are now working or have ever worked at any job listed below, write the number of years you worked in that job in the box in front of the name of the job. For example, if you have worked 6 years as an electrician, write the number of years as: 6 yrs. 324 Electrician. If you have worked less than 1 year, write the number of months as: 4 mos. 324 Electrician. If you have completed training for any work, but have not yet had a job in it, write just a "T" in the box. If you have worked at more than one job on the list, write the number of years or months in front of each. (This list does not cover all kinds of work. Perhaps you will find nothing to mark on it. But notice that some of the names on the list cover jobs which often go by other names; for example, a railroad brakeman would mark "Trainman.")

If this list does not include any or all of the jobs or fields of work in which you have had experience or training, enter in item 35 below any others that you did not describe on page 2.

LIST OF SELECTED OCCUPATIONS

34. Read the following list of jobs and fields of work carefully. If you are now working or have ever worked at any job listed below, write the number of years you worked in that job in the box in front of the name of the job. For example, if you have worked 6 years as an electrician, write the number of years as: 6 yrs. 324 Electrician. If you have worked less than 1 year, write the number of months as: 4 mos. 324 Electrician. If you have completed training for any work, but have not yet had a job in it, write just a "T" in the box. If you have worked at more than one job on the list, write the number of years or months in front of each. (This list does not cover all kinds of work. Perhaps you will find nothing to mark on it. But notice that some of the names on the list cover jobs which often go by other names; for example, a railroad brakeman would mark "Trainman.")
 If this list does not include any or all of the jobs or fields of work in which you have had experience or training, enter in item 35 below any others that you did not describe on page 2.
