

Review: — (Imagined)

Mrs. ——— book "Until Death Do Us Part" is a beautifully written book — not structurally, for this is Mr. ——— first book — but beautiful in a moving, understanding and human way. There are passages which are heart-breaking, yet delicately handled and with reserves, leaving the reader, to find depth and richness according to his own grasp and experience. For as much of Mr. ——— life is the life of ourselves and we ^{are} ~~are~~ ourselves, many of us, confronted with ^{our} ~~her~~ problems —
— A book to read and — remember —

Yes love does make a difference - when
it comes into the life of man or woman -
it awakes emotions which warm our lives -
More esp. in this case - in those students of the
Arts - necessarily more susceptible and sensitive
to beauty, their creative powers are deepened and
throb with ~~the~~ new force hitherto unfeel-
The name of the artist acquires a deeper
richness of quality - the painter attacks his
canvas with a fervor, a passion, that
must find expression thru the medium of his
brush, the architect, almost with a religious
awe, ~~and~~ ^{with} ~~the~~ counter to his hand, those shafts
lines, in all their purity of line & detail, is suddenly
