

To our dear Daddy:—

For all the years you have struggled onward, and for all the sacrifices you have made, now, when you return to Japan, may you enjoy the fullest measure of success.

May my prayers follow you and keep you from

all danger and sickness,  
and when your work is ac-  
complished, bring you  
home safely to George and  
me.

With my love,  
Agnes -

Love to my dear Daddy.
