Dear Mrs. Tsumanuma,

I am writing this letter instead of Mrs. Hiroshi Ashiwara, for she asked me to do so the other day. My mother is her niece. She is eagerly wishing to find out the address of yours. She always says to us about your family-- especially George! How about he and all of your family? If this letter will reach you, please answer her. Her address is --- 141 Hancho, Minomo-mura, Tsyon⁸3-gun, Osaka-fu.

Mr. Ashiwara was dead in ~~the~~ August of last year. She is old and seems well, but lately seems a little bit tired. We are asking her to come and live with us. I think she'll do so soon. Good wishes to all of your family.

Truely yours,
Yaeke Tomioka.
