Flushing must be very hot. Are you resting two hours every afternoon? You and Mamma come up to Mountain hurry up, it is nice and cool and I want to play with you.

Next week there will be circus in Town and every body are awaiting to see it. I wish you and Mamma is here.

Lake is very pretty now. So many

people are canoeing.  
 a number of camps  
 around lake and  
 having real good  
 time. When you  
 and mother comes  
 here we will go out  
 boat-ride, automobile  
 ride through mountain.

Tell mama you  
 need your <sup>hair</sup> trimmed  
 don't cut top but  
 trimmed around. Go  
 to same man - middle  
 chair and tell him  
 just like he did last  
 time. Paddy is going  
 to have his hair cut

to day. I want you  
to be look nice like  
little gentleman.

I am sending you  
some more funny paper  
for you. I think you  
better write to me and  
tell me, how you are  
and how is Topsy?

Lots of love  
and hug and  
kisses to you  
and mother.
