

June 4-1924.

My dear Fiji:

I was very happy
to receive your letter
and am very glad
to hear that- you have
company "Topsy" now.
Take good care of her.

Mamma says
that- you are very

2

nice to her like a
little gentleman. Daddy
is so glad to hear that
and am anxious to
see you very soon.
Some times ago Mama
asks me about getting
a pair of roller skates
with coupons. Yes I
will let you have

them if you promised
me to be an obedient boy.
and if you act naughty
mamma will take them
away from you.

You will tell mamma
that don't let too many
offsprings come out from
lower part of cherry tree.
Take them away.

Poor Mamma! send
me telegram this morning
because Daddy did not
write her on last Sunday.

I received one on Monday
and two yesterday and
I answered right way.

And I hired tax man
to take it to Post-Office
last night.

Lot of Love and Kisses
to you and mamma.

From Daddy Rockrice

Your Daddy is getting
so fat now.
