

Paraphrased "Mitamano Hikari."

Even with one's heart is awaken and  
 murmurs the world that is so painful,  
 so inconstant; ups and downs, just like  
 clouds in the autumn sky, beside that,  
 especially when the cold and black night,  
 nevertheless if any one whosoever believes  
 in Jesus will be enlightened and com-  
 forted by the Light of the God's spirit.
