My dear Sweetheart:-

Here is a letter from our Jiji and report from Clean Butler. I don't know why George gave up his job of board. Well what happens is the best for him.

Now, you write him that I don't think he better come to Saranac to spend his Easter Holiday. And you too better ~~better~~ come up in June. There are many reasons for that. It is inconsistent what I am telling to Mr. B.

And Mrs. Heise told George  
 not to come up Summer vaca-  
 tion. (Of course Easter included)  
 If he comes here now and  
 people know that George is  
 pledged to Alpha <sup>A</sup> Phi <sup>Ω</sup> Omega.  
 all these do not consist with  
 our circumstances just  
 now. He better make good  
 use of one week holiday  
 for his order the problem in  
 (TONIC ORDER) Alauatitque.

Thanks for the dictionary.  
 I received this afternoon  
 It looks good.  
 "Mother Bird" - dear agnes,

When you leave Mrs. B.  
I wish you could stay with  
Mrs. C. until gets warmer -  
say - May. Because I don't  
want you to go to Flushing.

I am trying to raise \$100 -  
by Mar. 15<sup>th</sup> so, <sup>that</sup> you do  
not have to be slave to  
money - 24 hours duty -  
Please give <sup>up</sup> that idea. You  
don't have to work like  
that. Look for L. C. job  
No - nurse - job. Too  
many sickness just now.  
Work for less money live  
long watch our boy.

If you against Swahito's wishes and work for 24 hours duty - and be reckless like that I will give up my curing. Don't forget I love you that fore I am living to make you happy.

So I wrote to Mr. K. last night. And told about Dr. B. Trying to get help \$5 - or \$7 - what ever may be. And you will be looking for another job. I will return when I received from Sone-chays and so on. surely he will loan me \$100 - until July 25<sup>th</sup>.

I hope and wish Mrs. B. will change her mind after she had talk with Mrs. Ward. Wish you good luck for my best girl and devoted wife.

I had hair cut. <sup>yesterday</sup> sat up 25 m. in the morning made me very nervous because this is first time I have sat up in the morning since Jan. 1st. To-day I sat up again 25 m. Dry cough less. raise  $1\frac{1}{2}$  to 1. Sleep good. very thing - ok.

Forgive me Mom. I  
am spending money faster  
than you could make.  
But from now on I shall  
be very careful. I make  
a plan for three of us. You  
and George are always so  
faithfully stick to it. And  
I am the one always  
breaks it.

Many questions in your  
past letters are unanswered  
but there are so many  
things are much more  
important and I haven't  
got strength enough to

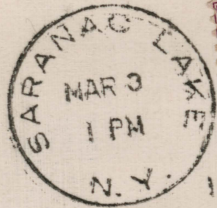

write more 5 or 6 pages.

Dearest love -  
 Lot of hugs and  
 Kisses to my sweetheart  
 from  
 Iwahiko
