

My Birthday Wish

My dear little George,
I was so glad
to see in your
Mamma's letter, that you
are "such a good boy,"
and that you do a lot
of nice things and sport.
I hope dear George, that you
will be very careful in doing

If all the people in this earth
Were good and kind as you,
The world would be so happy
We'd sing the whole day through.
And so, upon your birthday,
I send this little song,
It could not be more hearty
Though twenty times as long.

from Mamma
to my dear little George,
with many kisses.

does things, you are
very young yet —
my love to ^{your} Mother
and Daddy.
and love and kisses
to you —
