To Whom It May Concern:

Mrs. Agnes Rockrise has taken care of her husband, who has been under my care, for many years. She has been most faithful and conscientious. She knows the treatment of tuberculosis thoroughly and I can cheerfully recommend her to anyone who wishes a good conscientious and intelligent nurse.

New York City.

Dear Mrs. Rockrise:

I am only too glad to give you a letter. I think you are fully qualified to care for many cases and I would not hesitate to care for them. I am enclosing a letter and I am asking Dr. Hayes to do the same.

With kind regards,

Sincerely yours,

Lawrason Brown
