

Sweetheart - My Agnes: -
You might
think I am awfully
selfish and unkind
to George not giving
money from mine for
the summer. But
your statement shows
my \$200 is all gone
and owe \$1¹² some
cents to George. So
I wrote to Sone +
Chrij's to send me -
\$50 -

Agnes - your
keep your salary

in Time Saving bank
for George's fund.

And I will ^{deposit} \$50 —
in Saranas Bank
to cover - month of
sept. Oct. and Nov.

So you send me
check \$12⁰⁰ per
month from it.

Borrowing Money
is easy and conseq-
uence goes out easy
too. So you think
it over about loan
from N. Y. Life.

In that case you
 give \$300 - check
 from Corn Exchange
 Bank, ^{to George} and take
 out the balance,
 \$10 or 15 - whatever
 it may be, put
 in the Time savings.

Drop out Corn
 Exchange $\frac{1}{2}\%$ ^{to save \$2.}
_{per month.}

In november
 I give $\frac{1}{2}$ of mine,
 you keep that in
 Time Bank. And

rest in Saranac.
How is that?

George is working
yesterday and did
not come. But
will today.

I am working
hard at Mr. Brown's
article ^(3 hours per week)
take me a month.

Lot of love & hug
from Iwahuk
