Manager,

East End Hotel
New York

Dear Madam: -

My sister-in-law
Miss Sylvia Holt, a member
of the League. She
suggested that that the East

End Hotel might have
an available room for Mrs
Agnes Rockrise, whom this
introduces, and about whom
I have spoken on the
'phone.

Mrs Rockrise is a nurse
through force of circumstances
which are known to me, and
which she herself may explain.
She is of exceptional character,
and has already been employed
in my home.

Very truly yours
(Mrs Roland Holt) Constance - Mrs. Holt

Manager

East End Hotel

New York.
