My dear Agnes:-

I have to ask your pardon for not writing you for such long while. I am so happy to know that you are strong and enjoying your good health.

Many many thanks for your thoughtfulness in sending twenty yen for me as my pin money.

I don't think you could picture how, all of us, rejoiced here to see Iwahiko. It was you send him home. It was you who took good care of my son for years. And it was you who made Iwahiko what he is today. I owe you too much all together, Agnessan! that which is deeper than the ocean and ~~the~~ higher than the any mountain. There is no pen ever could describe what I wish to say. All I can do for you is to bow down again and again hundred times.

Weather is getting very hot here now. Wish you to take good care of yourself and I pray that you will have a long life.

With love.
~~Most sincerely~~

Iwahiko's Mother.

Walter in Glau's letter

My dear Walter:
I have to ask you for your
writing for such long while. I am
so happy to hear that you are still
enjoying your good health.
I have been very busy these
days in handling things for
you as my first business.
I don't think you will be
too far from us, especially
since you are so near New
York. It was you who took
care of my car for me.
I was very glad to hear
of it.

I am sorry I over you too much
all together. I am sure that
depth that the ocean and the
for the very mountain, there is no
for me could describe over
with to say. All I can do for you
is to be there again and again
things.
Walter is getting very fat but
with you to take good care of
out of fear that you will have
long life.

With love
~~Walter~~
