Dear Agnes

I got your cute card yesterday. Thank you for it. I am sorry not to have written before this but we really ~~had~~ <sup>are</sup> so busy so much that in ~~real~~ <sup>real</sup> hour—our only free time, we really like to rest.

I am enjoying myself to the utmost. It rains quite often but today is perfect, and I have gone swimming twice. I also enjoy arts & crafts, and ~~all~~ <sup>all</sup> land sports. The other night I was in a musical comedy. I am so happy here. Hope you

are having a good time.  
Don't let the heat get  
you.

Best wishes to everyone.

Love,

Wesley
