My dear Mrs. Rodrise,

Thank you for your letter
of August 15.

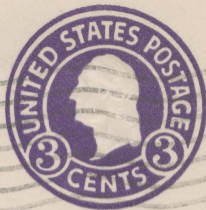

As matters stand, we do not
feel that we need your services at
present. I hasten to tell you, because
we do not wish in any way
to delay your negotiations for
another situation if you desire one.

There are several letters for you
here. Shall we send them and

the parcel post to you at
19 Franklin Avenue, Saranac
Lake, N.Y. ?

Should you more, please
send us your new address, so
that we may forward any
mail for you, and also so that
we can let you know if we
wish your services later and
find out whether you are
then free.

Very Sincerely yours,
Theoton Drunkam.
