

The Hitching Post
Old Harbor St.
Chatham, Mass.

Dear Mr. & Mrs. [unclear],

It was no time this morning
to show my appreciation for
so lovely a gift, so will take
this opportunity to thank you
for your kind thought. The
bag is as lovely as can be
and like you I've always
wanted one.

We certainly enjoyed
having you and your son
as guests here - the pleasure
was ours and to know
you were comfortable, happy,
and enjoying your vacation
was compensation enough
for me.

I felt so sorry for you
rushing back the way you
did and hope the bus trip to
Hyannis afforded you a bit of
rest.

So our took care of the
package and enclosed you will
find the receipt.

Once again my many
thanks and incidently my
favorite color is blue!

my best wishes to you
both and I'd like hearing
how you arrived home!

Sincerely

Jean M. Gordon
