

My dear Mr. Redwine  
Just a little note  
to thank you, for your kind  
& willing help in making  
our recent Program a  
success. It is very much  
appreciated by the  
Comm. I am sure,  
as well as my own  
humble self.

Enclosed is another  
sample of my niece's  
hand writing (where  
I visited Ned) who  
wants to know if you  
would please analyze

her writing? I could not refuse  
her very well so I said "yes".  
So she gave me her 15<sup>th</sup> which  
I will give to you, next time I see  
you - I told her I did not know  
whether you done this thing - privately  
or not - but you did for our church  
& it was very lovely. So here, hoping  
you understand, after my very  
poor explanation of the circumstances.

Very Sincerely  
Your friend  
Wm Lawrie
