ALBURN M. GUTTERSON - MANAGING DIRECTOR

PRINCE GEORGE HOTEL
FIFTH AVENUE & 28TH STREET
NEW YORK CITY

Saturday Jan 9th
3 p.m.

My dear Mrs. Rockrise! - Mr. Johnson dictated a letter to you before I left at 2 p.m. & asked me to mail it before doing the latter. I am adding a few lines -

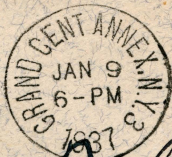

I had a great surprise this morning when Mrs. Golden called me upstairs to her room to inform me she had engaged another practical nurse to take my place. She said she could not afford a graduate nurse & when I asked why you were not returning she said you were not well enough. I am so sorry dear girl I had so hoped to see you back because Dr. Johnson is very fond of you.

and I know he is going to feel very
badly about it - He was so disappointed
that you did not say one word in your
letter about your health nor did you
include a message for him so I guess
that is what prompted him to write you
"I wondered if he felt there was something
going on," poor old gentleman he is a
wonderful soul - I go back to-morrow
until 2 p.m. - Then it is good-bye to
327 - So very sorry you are not
better & hope it won't be long before you
are - With every good wish for your
health and prosperity -

I am

Sincerely yours

Christina Crowther. P. N.
