this sounds deaf - But!! I am  
not ashamed to make this  
statement - for it is not my  
fault - I trusted and was a  
foolish creature - And it is  
not easy for me to make  
this confession - Glad to know  
your son is so talented and  
clever and hope he will succeed  
you surely deserve it - you have  
worked so hard - keep well lots  
of love and good wishes success
