

P.S. Leave my door open wide enough so Tiger can go in and out as he chooses, during the night also

Dear Margie:

Tiger has been in since 9:15. I tried to rouse him to go out so I could get him in before I left but nothing doing, he wanted to sleep, so he will have to stay in now until you come home. I am ^{over}

so glad it is such a nice
day. Mrs Ryan will be
home this afternoon as she
is very tired. She had to go
out this morning.

Mr Stevens sent his
clerk for Millie at 10:25

I hope Tiger won't be
too lonesome. Millie said
it would be all right to
let him stay in.
