

Dear Agnes

Please excuse me for taking such a long time to write. I was all in when I got back.

Checked with the Doctor today. I have my Tonsils removed next Monday at Grace Hospital. The Dr said to eat Candy every day and drink orange juice. I have not returned to work yet, may go in tomorrow.

I have dreamed a dozen times of N.Y. and the nice places we went to
Thanks for a lovely time
Edith

Can't put all
my gratefulness
Into one little rhyme----
So I'll just send
these hearty words:

THANKS FOR A WONDERFUL TIME !

*For some reason there were no
cards on the returning plane--
