

Dec 17, 1945

My dear Mrs Rockwell,

Thank you
so much for the lovely long
letter you wrote me and for
all your kind thoughts
and good wishes, have read
it over several times

There isn't a thing I could
ask you to do for me as I
have plenty to read and
Mr. Edlington is taking care of
my Christmas cards, but
thank you so much just
the same. I may still
think of something yet.

I was flat on my back
for two weeks. and dosed
most of the time so did
not feel the pain too much.

Believe me it was a
wonderful feeling to put
my two feet on the ground
and find I could stand alone.

Now I am able to walk
around the house. some
but my Dr. won't let me
out just yet. I have to
go to his office now for
electric treatment - have
to have my hip baked about
four times I believe and
that will remove the pain
I still have there.

I can appreciate how you must have felt the year you were out sick, just when they needed you most. Everyone tells me not to worry about Outcomes, but I keep thinking about things down there all the time and wish I could be right in the middle of it all -

Mr Edlington must be working himself to death these days - I feel so sorry for him, that must have been as much of a shock to him as it was to me when I found I could not walk or even stand alone -

Seems now that the only

thing I can do now to help
him, is to get well as
quick as possible - but
they won't let me come
back until the Dr. says
it is O. K. - (but it won't be long)

So now we have Mrs. Beckrise
in charge of the print dept -
Good luck to you, and
sure you will like it as
soon as you get familiar
with the stock. I would
just love to sell them
because the average
customer comes in asking
for a certain print or
else you just show
what you have until
a particular one catches

their eye and that's about
all there is to it. I just
know you are going to
make a success of them
and before we know it
you will be telling Mr.
Sipser what to buy -

Next time you see Mr. Sipser
please remember me to him
and tell him I am doing
everything possible to get
back as soon as I ~~can~~ can
(excuse)

Do take good care of yourself
these cold days - and just
one more thing - Thanks
so much for that card you
had all my friends at
Outtous sign it was lovely
thought - I shall always keep it.
With all good wishes to you
Your sincere friend Edith Price
