

Sept 18 - 1938

Dear Mr. Proctor -
Your faithful work
for "Auntie's Estate" and for me
is over. - I can never find
words to express my gratitude
to you for all you have done
for your patient - your devotion
in the care of her - Everywhere
I have had letters from the
family - Claire & Burton
(who have had the best reason
for knowing you & your work)
Can not say enough about

your devotion. - The Cablegram
reached me in Australia - in
spite of realizing it might come
at any time - still it was a
shock. I had made myself too
sure would be alive that I could
assure her again that I loved
her - and had not deserted her,
but it was not to be.
And I could not wish her back
again as she was. I can only
try to think of her as she was
perhaps ten years ago - and
think of her constantly still,
night & day. - Come and see
me as soon as you can conveniently.
I will phone you as soon as we

get home. Please note your Brooklyn
address - 21st Street or phone - with me
here. - I want to see you - to find out how
you are feeling yourself - how your son is,
if he got a satisfactory position. What
you are doing - I hope you are taking a
much needed rest & relaxation.

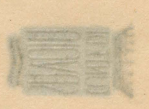

We will probably spend a night or
two in N.Y., then go to the Country for
a few days - but I will phone you soon.

My grateful affection & appreciation
to you, dear Mrs. McKee -

Yours faithfully

Alice C. Taylor
