

DR. T. P. TREDWAY
233 WEST EIGHTH STREET
ERIE, PENNSYLVANIA

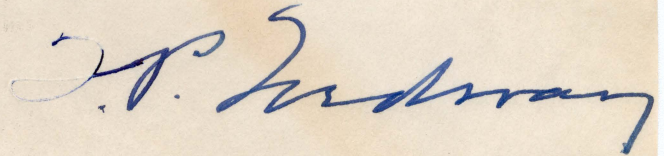

TO WHOM IT MAY CONCERN:

Mrs. Agnes T. Rockrise, a practical nurse, has been living in Erie for the past year and has been working on cases on which I have been the attending physician.

I have found her to be an excellent nurse. She is conscientious, sympathetic and is well liked by her patients with whom she has worked.

I take great pleasure in recommending Mrs. Rockrise as a practical nurse.
