

830 Park Avenue

Dear Mr. McKee

I was delighted to find
a letter from you in my tray
this morning. And what a
small thing for you to have
thank me! Of course I am
more than happy to lend
you fifty - one hundred if you
like. Return if or where
you like, and as you like.
As a matter of fact I am glad
that you refused it a year and
a half ago for by this time
it would be all gone, and it

would pain you still more to
ask for it. Forget it now.
and if you watch more, tell
me, please. — I am so sorry
~~to hear~~ about your tooth — ^{about}
a tragedy, at least that is the
way I would feel about it.
I am rather sorry that you
returned to that exacting care.
Of course now they have a
book, but even so, I
don't allow yourself to be
imposed upon. don't allow
yourself to get tired out as you
did before. And do assert
yourself — they evidently like
and want you to be with them

don't let them make a slave of
you. You have your rights -
time ~~out~~ for rest & exercise in
the open air, & you certainly
should demand the full
amount ^{of payment} per week, and more.
There must be other cases, and
few could be more trying than
this. Don't let them wipe

up on you - you are too much.
No, O. Laefor did not tell me
you phoned. Probably he was
sleeping when you called up,
wouldn't he? I called the telephone,
& phoned all about it! I have
heard the same story from
two or three friends lately.

Burtin brought Edith down from
Syracuse a couple of weeks ago -
they flew down & back - me and a
half hour each way! And Edith
loved it! - There were quite
a little of the various families -
Ed & Logene came & stayed four days
& Caroline & Howard came here about
once in ten days.

Come in and see me when you
are free, and tell me your troubles.

Affectionately Yours

Alice C. Taylor

Why don't you send a card to Dr. Beisler?
I think he has a good practice. You remember
him? Dr. Simon ~~Beisler~~ Beisler - not a Hebrew
I am pretty sure
