Dear Madam,

I beg to inform that your sincere letters dated Nov. 29 and Dec. 7 of 1936 duly accepted and both type-written, then each copy was forwarded to every one of the contributors for the obituary gift in most cordial manner on Feb. 15 of this year. So I am sure that your highly appreciated thoughts were well conveyed to all of the friends.

In the next place some of the pictures and the life account of the late Mr. Tsumanuma you sent us much pleased to be received here, and sometime shortly after an arrangement will be made to put them on the journal of I. J. A. or the Nippon Architects Association's. Whenever it is completed a copy will be mailed to you and your son.

Hoping should this be able to serve as means for consolating immortal soul of your husband in paradise we all of us feel much happy and delightful, I am,

Yours most sincerely,

Tatsuzo Sone.
