WHAT IS LSR?

THE PLACE?

THE ACTIVITIES?

OR IS IT THE PEOPLE?

When you get right down to it, it's the people at Lake Sequoia who make the experience meaningful. This year LSR will be at a new place, with a new format, but it's us, the people who attend, who will make the week truly unique. Here is your chance to see some old friends and make some new ones before LSR; come to the **LAKE SEQUOIA RETREAT REUNION '79.**

"It's been said before many times, but the people at LSR make or break the camp. At LSR '77 they really make it happen for me. I only wish we could stay longer together, this type of fellowship is truly invaluable."

"The one thing camp made me realize is that someone can meet friends only if you're willing to be a friend."

"LSR represents an idea which brings diverse individuals together to have fun and learn about themselves. I have only begun my journey through what we term LSR. I know the years ahead will be full and fruitful."

"To discover the LSR is to discover one's self-- to find love, laughter and joy...Sure, there were hard times, but the love we all shared seemed to carry me through whatever trials I faced. The Lord blessed us all so richly with the Lake Sequoia experience. Now we must take it home with us and pass it on."

"If we find something
Then we should keep it."
