## The Gathering

Welcome to the Lake Sequoia Retreat Gathering! This Gathering is the first one we've held for the 1984-85 year, and it is sponsored by the Northern California Japanese Christian Church Federation. This weekend was developed for YOU! We hope that these two days will give you the chance to meet young people from all over California through the fun and worship, and that the bonds between our different churches will be strengthened. We also hope that through the fellowship; concerns, ideas, and experiences can be shared to help us grow in understanding of ourselves and to grow stronger in our Christian faith.

This Gathering is a part of LIVING EACH DAY TO IT'S FULLEST!!!!!!!!!!!!

Live each day to the fullest. Get the most from each hour, each day, and each age of your life. Then you can look forward with confidence and back without regrets... -S.P.J.	Saturday 1:00	Registration Begins

As with any event involving new people coming together and meeting new people, there is a certain amount of awkwardness and uneasiness that takes place. But since our time is short, please take this opportunity and make the most of this weekend. Get out there and meet the people who are waiting to meet you!

The best and most  
beautiful things  
in the world  
cannot be seen  
nor touched...  
but are felt  
in the HEART.

. . . I say to you, if you have faith as  
a grain of mustard seed, you will say to this  
mountain, "move from here to there," and it  
will move and nothing will be impossible to  
you.

--Matthew 17:20

Love bears all things,  
Believes all things,  
Hopes all things,  
Endures all things.

--I Corinthians 13:7

Make it thy business  
to know thyself,  
which is the most difficult  
difficult lesson  
in the world

I am only one,  
but I am one.  
I cannot do everything,  
but I can do something;  
and what I should do  
and can do,  
by the Grace of God  
I will do.

This is not the end--but a new beginning  
I am not afraid anymore in the dawn of a  
new day for I have felt the humanness of  
YOU.

Our time together has been short, but it's been long enough for us  
to be FRIENDS. We hope you had fun this weekend and found some joy in  
realizing our potential to live life to it's fullest day by day. Thank  
you for coming out and participating. We hope you will not only take  
back home new friendships, but also a continuing spirit of celebrating  
the life that God has given us.
