## LSR:

... a time to grow!

Discover new horizons... LSR provides a place to explore new relationships, develop new skills, and experience new perspectives through shared interactions with other young people from various Japanese Christian churches.

... a chance to express yourself!

Through workshops, discussion groups and worship, we will explore our lives as Christians in this year's theme, "The Challenge."

... a place for fellowship and fun!

Special activities and events... organized recreations, hiking, campfire vespers, fishing, boating, basketball, a dance, and so much more!

## THE THEME:

## THE CHALLENGE

Oftentimes, we wonder what place Christianity has in our lives; what difference it makes, or if it is applicable to who we are and what we do.

Through the week at LSR, we'll find out more about our faith, while exploring the meaning of "living the Good Life" and what challenges that poses for us.

## REGISTRATION

The total cost for the week is \$118. \$10 discount for registration forms received, with full payment, by July 21st. Payment may be made by check or money order, payable to Lake Sequoia Retreat. Campers under 18 years of age must complete the parental/guardian release. Send all registration forms to:
