

LAKE SEQUOIA RETREAT

Camp Redwood

August 11-17, 1985

LSR:

... a time to grow!

Discover new horizons... LSR provides a place to explore new relationships, develop new skills, and experience new perspectives through shared interactions with other young people from various Japanese Christian churches.

... a place for fellowship and fun!

Special activities and events... organized recreations, hiking, campfire vespers, fishing, boating, basketball, dancing, and so much more!

... a chance to let your light shine!

Something spiritual... experiencing God through the worship, discussion groups, activities, and most importantly through friendships. It's discovering your own specialness and learning to shine the light of Christ in your life.

The Theme:

BE OF GOOD CHEER

"I have said this to you, that in me you may have peace. In the world you have tribulation; but be of good cheer, I have overcome the world."

John 16:33

In a world plagued by hate, pain, and problems we often lose sight of our potential and fail to recognize all the good that surrounds us.

This year at LSR we will take a look at a life in Christ and discover ways to increase our potential to live fuller, happier lives.

Camp Redwood's mountainous surroundings of breathtaking redwood forests and a sparkling, cool lake are a beautiful and inspirational setting not only for worship and fellowship, but also for a challenging experience for young people.
