Attendance: Viv, Ted, Eileen, Sharon, Colin, Rev. Masuko, Rev. Shimoda  
Sid Harms, Myself, Robert Hanashiro, Craig Morita

The meeting was called to order at 1:20 by Vivian.  
Rev. Shimoda gave the opening prayer.

#### Treasurer's report

\$1328.85

It was decided to give Howard Yim a \$100.00 honorarium.

Also, \$50.00 to Street Flower for traveling expenses.

Comment: Money making projects for LSR. Maybe each church or area can choose a money-making project for which the proceeds will go into the LSR treasury. This is so that if we decide to do so, we will hold a Snow Hike and it should cover the costs and any other costs for camp. IDEAS PLEASE!!!!!!!!!!!!

The evaluation sheets from camp were passed out and read by each person.  
Comments:

#### Morning Watch

Is it too early to get up?

Should it be mandatory?

How should we wake them up?

Maybe it depends on each counselor; we must choose better counselors for the coming year

Thought for the day was good.

For next year's chairmen: Make it more attractive; more preparation; make it worth getting up for.. One comment was that it wasn't long enough. By the time you get out there, it was all over.

#### Cabin assignments

Comments for registrars: Try to separate the cabins a little more(?). Too many from the same area, or else all the new conferees were all together. Also, choose counselors who know that they'll have to put their foot down once in a while, especially for booze, curfew, going to activities, etc.

#### Friday Night

The problem of liquor was discussed. One comment was that the counselors and the people on cabin check should have said something right away before letting things get out of hand.. There has to be a meeting or something to definitely set down rules; For the cabinet, counselors, and the conferees. Then we must find a way to enforce these rules..

#### Interest Groups

For the most part, interest groups would have continued through the whole week. But, in groups such as calligraphy and Nature Study, it worked out better in shorter sessions. Many people wanted Sports and Games back; Enjoyed calligraphy and Japanese.

#### Discussion Groups

Didn't work out very well. Not organized or productive.

#### Organized Rec

New ideas for activities: Frog jumping contest, week-long fishing derby, horseshoes, etc. PLEASE, if you have any ideas contact Colin and Marsha or a cabinet member.

Comment: Set up activities for each day in which all PARTICIPATE

Ministers

Must try to get them to participate with the conferees.

Folkdancing

Everyone liked it. Maybe have it twice instead of only once.

If you have suggestions for ice-breakers, simulations, etc., tell us!!

Theme

Please try and come up with a theme before camp this year.

Because no one thought of one this year, we had to put down anything. Please think!!!

KEEP YOUR MIND ON LSR ALL THE TIME, ONT JUST ONCE A MONTH.

We've begun listing items we have, where they are, who has what, etc., so that when camp comes around we'll know where it is.

We will be sending a list of improvements to Camp Redwood such as the restrooms, facilities, dish washing, especially the silverware, etc.

Vivian will look into the possibility of finding a new camp, hopefully with better facilities.

Enforcement of camp policies by the cabinet, counselors, and conferees is an important matter. Be thinking.

Speakers, suggested:

Rev. Lloyd Wake

Rev. Bufe Karraker

Be thinking of theme, speaker, anything else mentioned in the minutes.
