

LSR MEETING July 13, 1974 Japanese Congregational Church
Rev. Takagi, Rev. Ozaki, Sid Harms, Eileen, Ted, Colin,
Sharon, Leslie, Brad, Patti, Lynn, Marilyn

The meeting was opened with a prayer by Ted at 10:15

Pre-registration forms

Pledge should be signed by conferees. They will be assigned Interest, Discussions, etc. Groups if they have not done so themselves. We as Cabinet members must promote the activities by our presence, spirit, and enthusiasm!

Responsibilities

The chairman will be responsible for waking up the cabin counselors. From there is the responsibility of the counselors. Also, instead of as in previous years where we have had the chairmen and managers come around to each cabin to check if everyone is in their respective cabins, it will be up to each counselor to make sure everyone is in. If a person has not shown up, the counselor must try to locate him before lights, with or without the help of the chairman. IMPORTANT!! Please try to attend all functions. If we don't show any enthusiasm who will.

Work Group Leaders

Sharon and Les will be contacting individuals to be leaders. There will be a meeting of all work groups to meet together with their respective leaders and go over all activities and what is expected of them as a work group. To get the groups closer, we may put them in the same Communication Groups but this is still tentative.

Saturday morning, Aug. 3

Something new and invigorating! A morning Sunrise Communion Service. Because of the new check-out time, 10 A.M., we have scheduled Communion for 6:15 Saturday morning. Wake up time will be 5:45. Breakfast will be at 8:00. Check out by 10:00. The next camp will be coming in at that time so we must be out by then.

Daily schedule

Basically the same with the following things scheduled:
Saturday Icebreakers
Sunday Folk Dancing
Monday Big Tree Hike- Morning & Afternoon hike to the trees
Evening - Simulation
Tuesday Japanese Camp is coming to visit us that eve.
Wednesday Lakeview Hike
Thursday Skits and Dance
Friday Faggot

All these things are not definite yet; subject to change.

Something else to add

Be sure to remind people that there will also be a Bible study class led by Rev. Takagi. It was accidentally left off.

CABINET!

Please be thinking of possibilities for next year's Cabinet. It would be better if we had some people in mind before camp than to wait until the last minute.

Ted would like to hear from everyone. Please phone or write, preferably before camp, to:

Keep those cards and
letters coming, folks.
Ted.
