

"The Earth is
and the Fullness

the Lords,
thereof;

The world,
dwell

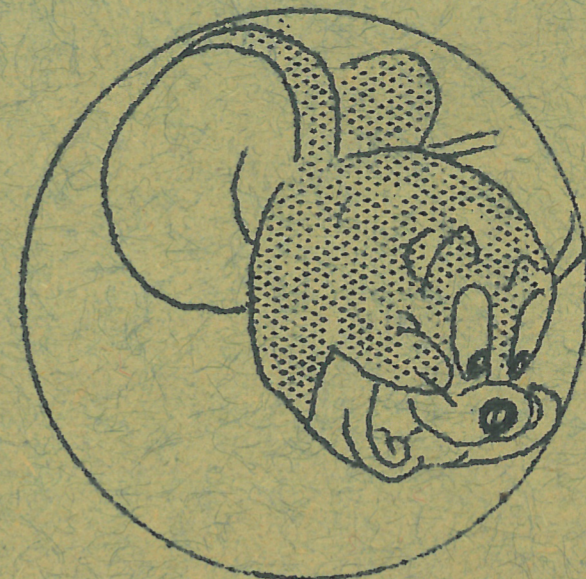

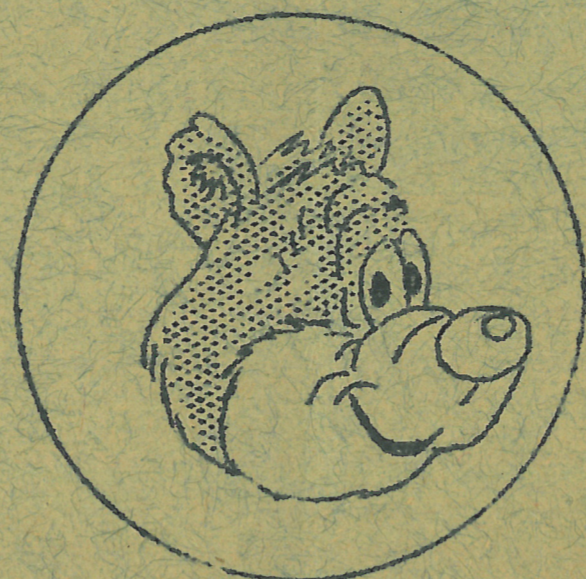

and they that
therein."

Dear _____,

Camp Redwoods at LAKE SEQUOIA is calling you for the five days of Christian Fellowship, Worship, and fun! Here in the heart of God's beautiful mountains, the annual Lake Sequoia Retreat will be held.

This year's Retreat is a very important one in that the number in attendance will determine whether or not we can have the retreat in future years. So we would like to see you there, not only to share in the fun and fellowship, but to insure the future of the retreat.

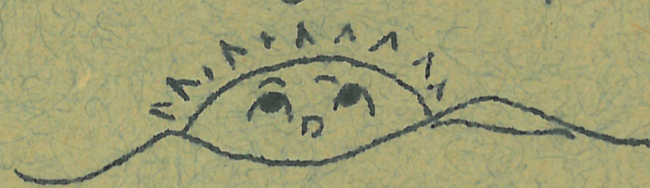

In general this is the program for this year.
