Dear Sam,

Thank you for including us
in the committee of 150 - To Larry
& Guy Tajiri - I believe ~~we~~ we
will be forever indebted - for their
work on P.C.

I'm sorry we aren't able to
tell them personally how much
we appreciate their years of
loyal service - We surely wish them
every happiness and much success
in their new ventures - They are two
very wonderful people!

Saw Dick Spagi in D.C. on
our recent trip there and altho' we
missed Etsu & Mike's presence - we
learned a bit more of the office they.

Our best to you and others,

Sincerely,
Dorothy & Edwin Kelow
