COUNTY REGISTRATION

Education Code of California, Section 13157: Each county or city and county board of education may provide for the registration of any credential or life diploma issued by the State Board of Education. Such registration shall be deemed to be the issuance of a certificate to the holder of such credential or life diploma. Such registration shall authorize the service of the holder in the county in the capacity in which and for the period of time for which the credential or life diploma is valid.

Procedure for Applying for Renewal of This Credential

(When applying, always refer to your file number.)

The responsibility for renewal of this credential rests upon the holder. This credential may be renewed during the period commencing January 1 of the year it expires and ending with the date of its expiration. The application for renewal should, whenever possible, be submitted as soon after January 1 as the requirements for renewal have been met, and in any event at least one month prior to the date upon which the credential expires.

Address application for renewal to State Department of Education, Certification Office, Sacramento, California 95814.

The following items must be submitted in applying for renewal of this credential:

- A. Completed official application form obtained from the Certification Office, State Department of Education, Sacramento, California 95814.

- C. Verification of completion of requirements, if any, listed below.

1 EAP-ENP

(ELEMENTARY PARTIAL)

If you are unable to complete all requirements for a life credential by the expiration date on the face of this document, you will need to meet renewal requirements shown below:

- FOR THE FIRST RENEWAL: Verification by official transcript of the completion of six semester hours of the required course work for the life credential as shown in your evaluation letter.
- FOR THE SECOND RENEWAL: Verification by official transcript of the completion of 12 additional semester hours of the required course work for the life credential as shown in your evaluation letter.
- FOR THE FINAL RENEWAL: Verification by official transcript of the completion of six semester hours of the required course work for the life credential as shown in your evaluation letter.

Course work for renewals must be taken during the life of the credential or in the summer session immediately following, PROVIDED the renewal application is filed on or before the expiration date shown on your credential.

Requirements for a life credential are to be completed within seven years of the date of your first employment under this credential.

This credential has been issued for one year because the requirement in United States Constitution has not been met. This credential may be extended for an additional one-year period. The following procedure is necessary to secure a one-year extension:

- (1) Submit an official transcript showing completion of a two-semester-hour course meeting the requirement or a statement from an approved junior college, college, or university showing a passing grade on an examination. ✓
- (2) ~~Submit a completed application form and \$15.00 fee.~~
