COME AND BRING YOUR FAMILY AND FRIENDS

Another Free Feature Film for Use in the  
CONGREGATIONAL CHRISTIAN CHURCHES OF AMERICA

**A Wonderful Life** is the second feature film made by our denomination for local church use. Following the illustrious **SECOND CHANCE** of last year, this new release is even more timely.

It tells of the Wood family of Martinville, Missouri, in a real life story which will be true-to-life for you.

You'll love Henry Wood as did his friends. You'll puzzle with Mary Wood, his daughter, over what it was about Henry which made him great. You'll smile at the budding romance of Mary and George, cry with them, too, as war takes George away.

You'll laugh at the foibles of Henry, his reckless driving which so upset Jennie, his wife. But through it all you'll thrill at the faith of Henry and be humbled, seeing this Christian family living as Christian families should. You'll find yourself reexamining your own family life, your own personal life.

For **A WONDERFUL LIFE** deals with fundamentals. True, its locale is a small town some years ago. True, Henry could enjoy only the simple pleasures of life. As Mary put it, "they were all he could afford."

But Henry Wood of *yesterday*, and through his faith, his family too, found the key to life. And seeing the film may unlock some of life's deepest perplexities for you *today*.

Don't miss it. Bring your family, your friends. You won't be sorry.

Showing time, forty-four minutes.
