THE CARLEA

IN WELCOMING YOU

Alameda greets you, delegates from far and near--hoping we shall be, friends true and dear.

It is our sincere wish that this brief stay continues to remain in your book of memories as one of the happy days at the conference.

MORNING WORSHIP

This morning, Rev. Nobuo Suizu is to deliver his first English sermon. We are thankful to be able to hear his interesting message in our comprehending tongue.

REVIEWS

The Etiquette study proved to be very successful, with many people still commenting on its favorable results. Masa Hanamura capably managed the program, holding the interest of everyone throughout.

The consecration assembly held on the evening of October 14th, was one of the best ever held. An organ prelude stilled the chapel, as scriptures and a prayer followed. Haruko Nakata ably presiding as chairman introduced the main speaker, Mr. George Kyotow, who presented a challenging message to the congregation of approximately sixty members.

Let us try to keep the League spirit forever glowing!

"There is so much bad in the best of us,
And so much good in the worst of us,
So it behoves us to talk about the
rest of us."

CONFERENCE CALLS

October, and everything about us has been transformed by the magic spell of autumn. This particular period somehow seems to inspire our wandering souls, affording the opportunity to harvest many thoughts.

What more appropriate time can be chosen for this N.C.Y.P.C.C! Why not make this the most enlightening one to derive from it the best, and follow faithfully HIS guiding hand.

Every year we attend, and listen to the numerous worthwhile messages. Let us keep them in our minds continually and actually "live in the Light."
