

RUMORS FROM THE RECEPTION
DEPARTMENT

Delegates, be prepared for the Luncheon period "Hyperbole" contest. It is the rage of the nation...dig up some trite fibs and build 'em up like skyscrapers!!!

Wilbur Takiguchi (NC Chair.) told a whale of a whopper..quote: "When I was born my mother told me I weighed 145 pounds and walked around in long pants the next day."...unquote. How'd you like that fish (not him) story? Well, he's a big liar alright, but I'm certain there are bigger liars around the Bay Region and Tomoo and his cohorts are out to find out.

THE THEATRE
NOW PLAYING AT B.R. CONFAB

"The Finger Of God"
by Percival Wilde

Produced by Minoru Endo

See this stirring drama at your Conference Sunday night at the S.F. Reformed Church. See a man in the coils of evil; see him in the midst of a great struggle, struggle against his

DRAMA (continued)
own conscience and how another being with a will to teach good enabled him to untangle himself from this grip. Minoru Endo, prominent member of the San Francisco Players group, and participant in many past conference plays will enact the role of the wayward character, Strickland. Mitsuo Konoko will be Benson his valet, and Toki Miho, also a veteran player will be the enlightening influence on Strickland's character. You can't miss this performance. It's a living sermon that shows men at his weakest moments and how the influence of Christ and Christianity can and will turn the indifferent toward the light.

PERIOD OF PROFIT

The discussion will center on the life of Christ and an attempt will be made to bring out a practical and modern interpretation of Christ through the Bible. A group of splendid leaders assure you one of the most profitable hours and half you have...perhaps ever spent.

GREETINGS - DELEGATES

GREETINGS

Greetings, great, gay guys, gorgeous, gabby, gals. Greetings... gospel-getters, grasp general gossips. General Genry Gamamoto greets gravitating guests.

Golden Gate gives glorious, glittering gazes, grants gay gambols. Groups get general gospel gists.

Greedy grub grabbing generates gags, gets gut-ache. Get gay, grab grub gently, gulp gracefully. Guide grub, guard gut.

Goodbye, go gloriously, gratefully gathering golden gospel gems.

GREETINGS A TRANSLATED VERSION

Our sincerest greetings, and welcome is yours!...delegates to the XI the annual Bay Region Christian Conference.

We hope the weather meets with your approval and above all our fondest hope is that you will leave this gathering with at least one faint spark of practical inspiration.

"Youth In Action With Christ" will be re-echoed for the last time before we meet as one great Christian group again at the N.C.Y.P.C.C. Let's act, let's play, let's discuss, let's eat together in the finest kind of fellowship we can enjoy at a Christian Conference. San Francisco, and Alameda is your servant for this brief period.

MAKE GOOD USE OF YOUR BALLOTS!

CABINET CORPSES

manager...offers special rates to certain delegates...for special qualifications please apply at the registration desk where he is boss...seriously speaking the lad is a great fellow...a dramatic fiend...an all-league football end...handsome guard on a basketball court...has handled a baseball for some local teams.

BEN MAYEWAKI ** TREASURER

...is Shozo's co-worker and hailed one stormy night from Hanford...modestly says he's a "genuine"...'hykusho'...but college took all that out of him...his interest has shifted from the open air to the opera...maybe he goes alone...haven't found that out as this goes to press.

THE COMMITTEE COFFIN

DAVE TATSUNO ** GEN'L ARRANGEMENTS

So much praise has been showered upon Dave that we figured he ought to be tired of it and would perhaps welcome a little change in comments about himself..

COMMITTEE COFFIN (con'd)

so we're going about it the other way...just to please him, mind you...we've found out he's human just like us...he has a girl friend...but he had to go all the way to the Eastbay to find her...S. F. girls must be slippin'..we hope he has written a new skit 'cause the other one is getting a little moth-eaten..and let's hope he has another instrument to play his Hallelujah number besides his nose...he's still a great fellow and a wonderful sport..and leader..watch his committee work.

SAM ROKUTANI * General Arrangements

A red-faced lad from Alameda who will see that we are comfortable on the first night of the conference...has succumbed to the college fever and runs through the mill at Cal..ask for Alameda Roki.

Minoru Endo -- Drama

Chairman and lead in "The Finger of God"...conference play..Cal '37...plenty brainy (2.9 Gr. Pt.)...but credit that to his study aid, feminine gender...not satisfied

COMMITTEE COFFIN (con'd)

with San Francisco...witness his interest in the Eastbay, Palo Alto and so weiter...future character of note on the stage...the man with the distinctive snozella.

SHIGEAKI MOCHIZUKI * TRANSPORTATION

There must be something in a name like his...youngest of the conference chairmen...but far from being a neophyte to the committee he's heading...two time chairman of transportation, the Confab Taxi Co. wants to hire him permanently (for nothing)...he'll take you wherever you want to go on Sunday (conference business only, please).

JULIA NODA ** MUSIC

Petite Music Chairman...does justice to the expression "good things come in little packages" ...our bundle of energy..human typewriter...believe this or do...she wrote every song in the program in long hand...is Cal student from Livingston although you'd swear she was a Berkeleyite by birth if you saw her.

VIOLA IMAI ** BANQUET

Broke down our idea that all

COMMITTEE COFFIN (con'd)

Japanese American girls are afraid to eat rice...was one of the members who suggested Japanese box lunch...has a couple of dimples that would go far in drawing delegates from distances...another of our recruits from Chinatown.....usually stands behind the counter and dreams...is a swell one to tease....takes everything like a sport.

NELLIE ITAHARA ** BANQUET

An old timer with the conference...still willing to come to our aid...thinks Alameda has no equal in climate and...she'll laugh for you out of courtesy to your bad puns...keeps herself young by working.

HARRY TAKAHASHI ** RECEPTION

By no. feeling about this...tall, dark, handsome S.F. rime...is unaffected by maturer kindness and true to one...sends you to see beautiful NIK calenders for the asking...get your discount on tickets here...active S.F. Fellowship member...all around athlete and smooth stepper...a swell charcoal portrait artist, and how!!

COMMITTEE COFFIN (con'd)

TOM HOSHIZAMA ** ELECTION

Eastbay mgr. for Nippon Gedlfish and is doing alright commercially...mostly socially...claims he is promoting good-will...pretty quiet lately...main heart-throb in the "old country"...doesn't believe in "mice will play while the cat's away" stuff.

JUNE NAKAYAMA ** HOUSING

Another one of these extra-energetic girls who tie up with two conferences when others flee from one...responsible for placing visiting delegates 'neath comforting shelters..remember her if your beds are soft and the food good...she's a swell one to talk to...went to Paly, told us she was a "rotten speaker"...the big liar...she brought down the house..."!

HENRY YAMAMOTO ** CHAIRMAN

The "Wel Pac"...pride of Alameda...an answer to all modern (college bred) wives...always at their doorstep with quality canned products plus openers...in other words Conference Chairman...and traveling salesman.

GEORGE KYOTOW ** 1st V. CHAIRMAN

A blank personality...in past, n. present, n. future.....

AMY KAJIWARA ** 2nd V. CHAIRMAN

A veteran Grant Avenue (San Francisco Chinatown) art dealer...learned to walk in Oakland besides one of the picturesque empty lots...is a terribly hard worker...and watches over the culinary department of this conference.

DONALD TORIUMI ** 3rd V. CHAIRMAN

...OF THE Sacramento. Toriumi is if you please...serious, bespectacled...Cal senior...and ...soon to wear "the cloth"...Coast Region conferred ministerial degrees on him for excellent pre-

COMMITTEE CORPSES (con'd)

ministry sermon...latest reports say that the Salinas broncos are now wearing wings...but mind you we said he is serious ...and how!

DAISY TOMIZAWA ** COR. SECRETARY

Famous as "Daisy" of D.D. (Daisy) ...known for her ability to eat at least two helpings of pies ...set this precedent for girls five years ago in Alameda...but the memory lingers on....on on...will believe anything you say so don't tell her to go jump in the bay...honest, she's the acme of gullibility.

LILY TANI ** RECORDING SECRETARY

Quiet and demure as the flower her name designates...by the way this is Easter and she's at her gayest...she burst into bloom after the Fresno trip last week..is an ardent femenist in regards to coeducation in college...she is no phonograph but a grand recorder in the Bay Region cabinet.

SHOZO TSUCHIDA ** TREASURER

San Francisco's silent hotel
