### W H A T ?

Another great conference is before us today.

This time it is the Bay Region Sectional Young Peoples' Christian Conference for 1936.

Three hundred young people crowd local chapels today in order to better unite spiritual forces, to further strengthen local organizations, to cultivate the finest in Christian leadership, and to sincerely forward the realization of deeper, richer, Christlike living.

The Y.P.U.C. will sponsor an Easter Morning Service and Breakfast next Sunday A.M. from seven o'clock at the Y.P.U.C. Chapel with Rev. Charles Duncan as the main Speaker.

The musical part of the program will include quartets from the M.E. Forum and the Geo. Williams Prayer Circle.

Breakfast will be served immediately following the service with Freddie "Joe" Oshiyama as the Toastmaster. Toki Miho and Company will take care of the culinary end. Tickets to cover expenses of the breakfast are 15¢. Let's go! Every-buddy's welcome---line forms at the left-----

Rev. Galen Lee Rose in his closing conference message to the recent 11th Annual Fresno gathering, threw down a challenge to youth when he asked: HOW MUCH ARE WE IN ACTION WITH CHRIST?

GREETINGS, REV? KAWAMORITA-

Let's go! Lift high the banner of HE who died for us. Let's show the world that the youth of today is "in action with Christ!"

From the great northwest you come as the new pastor to the local Church of Christ.

The Y.P.U.C. joins the community in extending greetings and a most hearty welcome to you and the living SPIRIT that dwells within you. God Bless You and Keep You, Rev. Kawamorita. May your days with us be joyous ones.

-----\*-----

Let us work, worship, study together thru out this conference, and in days to come, in order to learn to become more like HIM. To be "IN ACTION" with HIM.

EASTERTIDE -- A NEW LIFE

With a dime in his pocket, a humble lover of nature was strolling along a street in front of the stores. Rather gloomy at the financial plight he was in, this person saw a seed-stand. This new sight gave him new thought and an inspiration.

"Why," he said to himself, "I have in my pocket the greatest miracle and beauty in this entire earth. Taking out this thin dime, he offered it to the aged store keeper for a bag of flower seeds.

"You know," he said to the seed seller, "in this little packet is God's great secret. From these little seeds, beautiful flowers will bloom. Only God can tell how this seed becomes a beautiful part of nature."

Reflecting his thoughts to himself he continued on his way with a new outlook on life, a new hope in his once sad breast a new heart.

Just like Easter, a flower blooms and dies, giving seeds. Then after awhile, these seeds again come to life in beautiful flowers. Christ died, but his arising was more spectacular and meaningful than his first bloom of life.

Thus, as this humble lover of nature got a new meaning of life, we can appreciate and understand the Spirit of God through Christ's Death and Rebirth.

WE BELIEVE----

THAT THE PROPER measure of a man is the size of the thing that gets his goat.

LISTEN, FOLKS:

The man who gets along in this world is the one who can look happy when he isn't.

WELCOME DELAGATES !!!!!

-FOUNTAIN OF GOOD THOUGHTS-

"I will follow the upward road today,  
I will keep my face to the light,  
I will think high thoughts as I go my way,  
I will do what I know is right.  
I will look for the flowers by the side of the road,  
I will laugh and love and be strong,  
I will try to lighten another's load,  
This day as I fare along."

HERE'S SOMETHIN' FOR YOUSE INTELLEC-TUALS--

A man goes to a bank and borrows as much as he had, then spends \$20. He repeats this a second and a third time. He then has no money left. HOW MUCH DID HE HAVE TO BEGIN WITH?

THAT ONE WAS EASY, TRY THIS--

A man has two pieces of string. One is twice as long as the other. If he cuts six inches off each piece, one will be three times as long as the other. HOW LONG IS EACH PIECE OF STRING? Give up?

HOW BRIGHT ARE YOU?

If you can untangle the letters in the following funny word Escrua to form a very common word in four minutes; then you are quite bright. Time yourself and see betcha a donut it'll take ya longer 'n four minutes.

(Editor's note: The answers to the above \*will\* be \*found\* on \*Page Three

FUNNY-BONE TICKERS

"Yes," said Dr. Buchholz, "I had had some terrible disappointments but none like the one that came to me when I was a boy."

"And what was it?"

"I crawled under a tent to see a circus and discovered it was a revival meeting."

Ten years ago today--Sunday School Johnny Hoshiyama: Tell the class all ya know, Fred, it won't take long.

Fred Hosh: I'll tell 'er all we both know--it won't take any longer.

WONDER WHAT-----

HIRO would do without YONE,  
or the situation simply re-versed?

YUDIA N. could of done Sat-  
urday Night, if every group  
failed to represent with their  
assigned Confab HYMNS?

THE HOSHIYAMA'S would do with-  
out any brothers?

If DAISY all of a sudden forg  
got to smile entirely?

If Mits K. took a notion to  
wear his suit coat at Shinkai's  
on a Sunny Day.

TOMMY does every time he goes  
across the Bay?

VERLIN meant Sat. nite, when  
he said-- "Boat leaves in 2 1/2  
minute. (What boat?)

ONLY CANDID SNAPS

For the past few weeks "OATS"  
dressy OKUDA has been just dy-  
ing for a good game of tennis---  
judging from latest reports  
from the YMCA fans, she plays  
a terrific game of Pong Pong  
and I can vouch for that. If  
Pong Pong is any criterion of  
her prowess in racket games,  
her tennis is plenty hot! So  
beware, make sure that your ten-  
nis is up to par before you  
ask her to play.....

#####

WE're beginning to notice that  
ENDO'S leaving out the twins,  
doesn't come to church lately, &  
in fact, BIG SIS YONE says he  
doesn't even come home anymore..

..Dr. PAUL B.... has some  
ideas on the subject too, in  
case your interested. We'd like  
to have you come home once in  
awhile, bring her along too keed!

#####

By the by, we see that TOMMY  
has pulled another one of  
his famous "domestic" roles.....  
we might also add that he sure  
does credit to the profession..  
If we had a dime for every  
time that TOMMY has said "YES  
SIR" in a play, we'd have enough  
to go see Mae and EAD and come  
home again? Take notice to-  
nite.....

WHAT HAVE YOU GOT  
TO SAY?

We hear that the official del-  
egates who went to the sectional  
conferences from the Bay Region and  
Northern California, surely enjoy-  
ed the change in scenery.. Some  
stayed at the conferences extra days  
to let the inspirations soak  
in....But not so with our MITS  
and chairman candidate KYOTOW;  
they were glimpsed at the Student  
Club Frolic in S.F. the very  
same evening of the Fresno Confab.  
Some travelling, fellows, you su-  
re must have been anxious to keep  
your dates.....
