Miss Anna Berggren, Librarian  
Inyo County Library  
Independence, California

My dear Miss Berggren:

Would you like to have some books for women and children to use with the deposit at ~~the~~ <sup>the</sup> museum?

As you know, many of the books given for the men in camp are not suitable for them - Robinson Crusoe, Gulliver's Travels, etc. There are also occasional copies of Children's Treasury, Little Men, and other children's books. We are trying to separate all those in your condition. We should be glad to send you some of those suitable for women and children if you can use them. Have you any suggestions about transportation?

Very sincerely yours,

  
Thomas W. Brown, Jr.
