Dear Mr. Sidwell:

As indicated in my letter to you of May 1, we are preparing a shipment of approximately 1,000 books for the Cuma Valley Reception Center, and before leaving the books posted, I need to know if you are really expecting them. I also need to know what plans will be made for their transportation, as it would not be possible for us to grasp the rest.

Several other librarians are desiring of us what your book needs are, and it would be helpful to have a report that might be passed on to them at a meeting which will occur Monday, May 18th. I should, however, have your answer by the 12th.

Very truly yours,
