My dearest Mary,

Hello Mary, and how are you? I am hoping that you are fine. I am fine, like the breeze of the weather.

First of all I wish to thank you millions and millions of times for your most enjoyable and surprising letter. I was so very happy to hear from you that I almost burst with joy.

And congratulations Mary! Gee! I am so happy to hear that you are married and coming to America that I can hardly wait to see you. I just know you are both very happy and may that happiness and also health be with you always. And to know that you are coming back to America makes me so very happy.

Please come to see me real soon, ne?
I can hardly wait for our meeting and am hoping this meeting will be soon. I am just bubbling with joy for ~~the~~^{your} coming ~~to~~ to America. And we shall talk and talk till we are exhausted and you shall tell me many things about Japan, ne?

My parents and brother also gives their congratulations to you.

The weather here in Colorado are at times very cool and there are times when it is so hot we almost roast in the heat. To-day was very hot, but tonight it is rather cool.

We do not have much rain here and

all farmers are just raving in
need of rain for there is not much
water for the crops.

Yee! But the summer has really almost
gone with the breeze fast, ne? This sum-
-mer was a bad summer for me
because I have been sick all summer,
but I am fine now.

School is just around the corner. It
will open day after tomorrow September 3.
yes, I am still going to school and I can
hardly wait till tuesday comes. I am
a junior (11th grade) at High School. I
am very happy to be a junior and I'll
have another year before graduating.
I do not know just yet what subjects
I shall take, but I would like to take
two hours history, one hour English
and one hour Home Economics (sewing and
cooking).

It was really nice that you have had
the experiance working in a bank
as an office girl and it was a regret
to have to leave your job so soon, ne?
But it is better that you have married
a nice man and come to America.

But Tacoma is so far away from Ft.
Lupton that it will be quite a long
wait before we do meet, ne?

That is alright about Tsyehara Ken's
picture, Mary. Thank you so much
for the trouble. He is nice looking
and Tyrone power does look like him
ne? As a hobby I have movie star
picture collecting from magazines
and newspapers. I am collecting pictures
of Tsyehara Ken, Sano Shuji, Takata

Minoru, Oka Joji, Kawasaki Hiroko,
Tanaka Kinuyo, Takasugi Sanaye,
Sodoroki Yukiko, Yara Betanko and many
others. In English stars I collect pictures
of Tyrone Power, Gene Autry, Deanna
Durbini and Judy Garland. I saw many
pictures of Uchida Ken at the Fuji Tan
theater in Los Angeles a year ago,
but I do not remember its name. But
the recent one I saw of him was in
"Ha-ha no Ise" (花の伊勢) and "Wakaba
no Yume" (わかばなの子守歌) playing opposite
Takasugi Sanaye which I saw here in
Lupton.

Please send me a picture of you and
your husband, ne. Oh by the way, you
have not told me your name yet.

No, I do not write to Misa and Mary Dae
but I do see Mary once in a while, so
I shall write to her and give it to her
brother at school. Her brother Henry, do
you remember him? He is a Senior
this year. I haven't seen Misa and
Posie for two long years. I saw them
two years ago when I went down their
place during "Frontier Day Celebration" in
Cheyenne Cheyenne. (misspelled I think) But I
am writing to Posie so I shall tell her
for you.

Do you remember Frank Handa and
Harley Inouye? Frank is now living
in Los Angeles and now we have the
Sadahiro-san family as our neighbor.
Did you know that Harley was in Japan
for two years? He was in Tokio at the
"Nichibe Home". (2511 .7-4) He is home
now and he is very handsome. In a

To ~~my~~

way he looks something like Uyekawa
Ten from far away. But I do not like him
as another girl likes him ^{and} I like someone
else. I think I told you in my last letter
ne? I think you know him as he
use to live in Brighton long ago.
Now I shall be closing as I have no
more news, but hope to meet you soon
I too am praying it will be soon. Try
to come to Colorado sometimes to visit us
ne? And there are many of your friends
here who would like to see you. Do
you remember them? They are Mary
and Kissie Doi, Mable Inouye, Rudy
Hayashi, and Sumiko Tachihara, Sumi-chen
is Colorado's best pianist and has won
many contest's. She is awfully good.
And now I shall be signing off and please
write real soon, ne? I shall be anxiously
waiting for a letter from you. Untile
Then Goodbye.

Love
Luthy
Koushi

P.S. Next Sunday I have to
odori in Denver at
the City Auditorium.

I am going to do odori

of "Sando Kawai ya" "せんどかわいや"

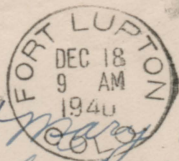

"Missie Tashinkyaku" "みっしーたしんきやく"

and "Awayagi." "あわやぎ"

use to tap dance ~~for~~
for audience, but now
I think I am a bit
old for tap dancing so
I am going to do an
odori which I like to
do the best. There will
be six of us girls.

please
change
this
my pen
is a very
poor one.
