Dear Ms. Bernstein,

We are writing to express our thanks to you for taking the time from your busy schedule to meet with the National Coalition for Redress/Reparations and Concerned Japanese Americans last week.

We are so pleased that we were able to reach agreement regarding the future hearings, and appreciate your willingness and desire to accommodate the needs of the Japanese American community, particularly for working and elderly people and those who would be otherwise unable to participate in the Commission process.

We are grateful for the notable efforts made by you and Ms. Yamamoto to conduct last week's hearings in the spirit of fairness and openness to all the participants involved. It was for us an exciting and worthwhile experience, and we look forward to working together with you in the coming months.

With best wishes,

Toni Morozumi for
