Dear Sasha and Michi:

Thank you for your letter concerning the status of plans for a New York hearing. As you know the Commission agreed to hold two additional days of hearings, one in New York and one in Boston. While I understand that Commission staff has been working out the details with interested east coast parties, I suggest that you communicate directly with Angus Macbeth with whom I work closely on a daily basis. As you know the Commission was greatly pleased to be able to appoint someone of his broad experience and expertise as Special Counsel and Staff Director.

On behalf of the Commission, let me assure you that we will continue our efforts toward seeing that all parties are satisfactorily accommodated.

Sincerely,

Joan Z. Bernstein
Chairman
